appropiated \$500 to him, and I made de Lobau, as well as M. Rambuteau the necessary arrangements to have him return to his friends in Italy. At the same benefit \$4,000 was distributed be Russia. Napoleon all at once intertween two humane hospitals and a conbenefit our bell was rung, and the scr-vant announced that I was wanted. I the most unfurseen circumstances vant announced that I was wanted. I went to the door and found a large procession of children, neatly dressed and bearing banners, attended by ten or twelve priests, dressed in their rich and flowing robes. I inquired their business and was informed that they had come to see Miss Lind and thank her in person for her benevolence. I took their message and informed Miss Lind that the leading priests of the convent had come in great state to see and thank her. "I will not see them," she replied; "they have nothing to thank me for. If I have done good, it is no more than my duty, and it is my pleasure. I than my duty, and it is my pleasure. I tine, "let any one represent to himse do not deserve their thanks. I will not a Czar who recruits his armies amo see them." I returned her answer, and millions of men-men whose sole

LAMARTIME ON RUSSIA.

In a secent work the great French historian and poet, DAMARTINE, thus speaks of Russia:

vent. A couple of mornings after the verses, and said : "Alas! how the best

the leaders of the grand procession turn- is to die for their master-let any one

divine," The smile which lighted up her countenance at the moment when death gently untied the cord which bound the soul to clay, still seemed to linger upon the face of the stone! The light of the eyes was gone, and they were sunken, but from the sightless orbs, the soul seemed to look out upon those who were viewing, with astonishment, that human form of stone.

The grave of the grand-child of Mr-Loy was next entered, and coffin exhumed. It was also found to heavy, and when opened, the corpse presented much the same appearance as that of Mrs. Loy. It was not as perfect, however, although petrified. The body and limbs had about the same appearance they did in life but the exterior had lost its.

The grave of the grand-child of Mrs. Loy was next entered, and coffin exhumed, do let the poor creature come and bring the dog. It will make him so happy. I confess it made me happy, and I exclaimed, for my heart was field. "God bless you, it will make him cry for joy; he shall come to-mosrow." I saw Vivalla the same evening, and delighted him with the intelligence that the light of the East?
